The new way to travel with TAP: more space, more privacy and greater comfort

TAP introduces Economy Prime, the new product positioned between Economy and Business, offering a superior experience both at the airport and on board. This new cabin is now available on the A330-200, A330-900neo and A321LR, across almost all long-haul routes*.

Designed to elevate the experience of your Clients, Economy Prime combines more space, more privacy and greater comfort, with exclusive benefits that make a difference at every stage of the journey. From the very first moment at the airport to landing, passengers can now enjoy a superior experience within the Economy offering.

Available for travel from the 1st of June 2026, Economy Prime is the ideal opportunity to offer your Clients a new way of travelling on TAP's long-haul flights.

*except ACC and TMS.

What makes Economy Prime so special?

Empty side seat

When travelling in Economy Prime, in the first three rows of Economy, Clients have the adjacent seat completely free, ensuring greater comfort, tranquillity and privacy throughout their journey.

Premium Check-in

Priority service for a faster and smoother experience from the moment they arrive at the airport.

In Economy Prime, your Clients benefit from access to Premium Check-in, ensuring a simpler, more convenient and efficient start to their journey, with shorter waiting times and differentiated priority service.

See more information on our [Check-in Options](#) page.

Fast Track and Premium Boarding

Priority security screening and boarding without queues — saving time with total convenience.

Clients enjoy priority access through airport Security Controls, allowing them to save time, be among the first to board, and begin their journey with greater peace of mind.

For more information, please see our [Fast Track](#) and [Boarding Zones](#) pages.

Two checked bags

More flexibility to travel with everything they need, without additional concerns.

When travelling in Economy Prime, Clients may check in up to two pieces of hold baggage free of charge, ensuring they can take everything they need without worrying about excess baggage or lack of space.

See our [Checked Baggage](#) page for more details.

Premium meal on board

A superior dining experience in the air.

In Economy Prime, Clients can enjoy a Premium main meal with two hot dish options, prepared with the same quality as in Business, making each moment of the flight more comfortable. Closer to arrival, Clients also receive a snack to end their journey feeling more comfortable and satisfied.

See more information on our [Meals in Economy Prime](#) page.

Exclusive travel kit

Clients receive a travel kit — another way of bringing a touch of Portugal on board.

Created in collaboration with Benamôr, an iconic Portuguese brand of botanical skincare products, the kits are available in four vibrant colours inspired by Portuguese culture.

Elegant and authentic, they are made exclusively from eco-friendly rPET material, becoming travel keepsakes that elevate their on-board well-being.

Miles&Go - mileage accrual and benefits

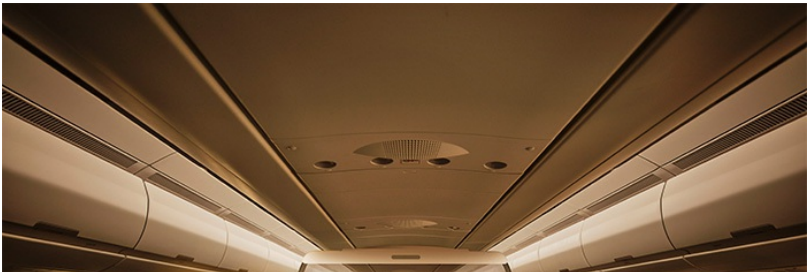

By choosing Prime or Top Prime, your Clients also benefit from enhanced advantages within the Miles & Go programme.

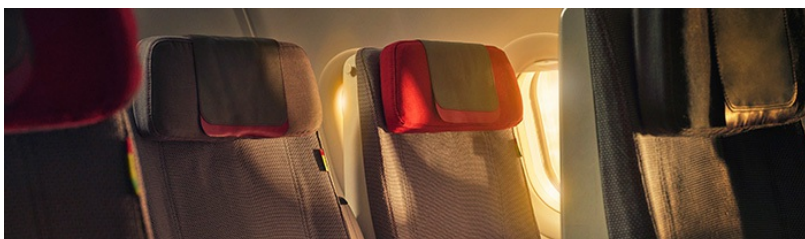

With the **Prime brand**, the **Client earns 150% of miles**, while with **Top Prime** the **accrual increases to 175%**, further maximising the value of each journey.

Additionally, **both brands are eligible for status upgrades up to Navigator**, allowing your Clients to progress more quickly towards new levels of benefits and recognition within the Miles & Go programme.
